

LegiTeam: Cumpanașu Partners is looking for talented versatile attorneys

Cumpanașu Partners is currently expanding its consultancy team and we are looking for creative and versatile fully qualified attorneys to join us in our growing partnership, where meritocracy is key.

By becoming a part of a fast-growing team, you will have access to work alongside experienced attorneys, and you will be in direct contact with firm's partners. We offer both growth opportunities as well as continuous mentorship and competitive compensation. You will have the privilege to assist sophisticated clients in their business projects.

What we expect from you?

- previous versatile consultancy experience of 2-4 years in a law firm for associate positions and 5-6 years for middle management positions, respectively;
- solid legal background and business oriented thinking;
- curiosity, courage, passion, perseverance, team spirit and an excellent command of English, while Italian would be a plus.

Our consultancy team advises sophisticated clients in various industries such as energy, infrastructure and construction, healthcare, real estate or manufacturing. We are involved in day-by-day advice to clients and have relevant impact in their business and operations, while also constantly handling complex corporate matters, project developments and M&A transactions, just to name a few.

Should you be interested, kindly send your resume or LinkedIn profile along with contact details at office@cpartners.ro.
