

Stratulat Albulescu advises World Class Romania on the successful acquisition of Planet Swim&Gym

Stratulat Albulescu Attorneys at Law has advised World Class Romania (“World Class”), the leader in the Health & Fitness industry in Romania, on the successful acquisition of Planet Swim & Gym.

The club had been operating under the name Planet Swim & Gym for over 15 years.

On the 28th of November, World Class formally re-opened “*Planet Swim & Gym*” for business, as one of its Gold tier locations, under the name “World Class Planet” making it its 38th club in Romania and its 29th in Bucharest. The club offers its members premium training and leisure facilities equipped with state of the art apparel, indoor and outdoor pools, two aerobic studios for group fitness classes and private parking.

The **Stratulat Albulescu** team was led by *Managing Partner Silviu Stratulat*, and included *Associate Ruxandra Ene* and *Senior Associate Tudor Ciambur* on Real Estate matters.

Stratulat Albulescu has been advising World Class on all legal matters for over 11 years, making it one of its longest standing and loyal clients.
