There you can access valuable knowledge and legal insights with respect to the implications of the coronavirus in various fields in Romania.

Our lawyers and consultants are closely monitoring all COVID-19 developments to keep you up to date with the latest information, and to help you mitigate risks during this challenging time.

For any questions, your contacts at NNDKP are available either by e-mail or telephone. Updates related to the impact of COVID-19 will be included here regularly, as the situation evolves.

We are ready and committed to assist you with valuable advice and practical considerations in order to address any challenges you may face and to help you move forward.

The dedicated section is available here: <https://www.nndkp.ro/covid-19-legal-and-tax-resource-center/>.
