

Dentons bolsters its leading Real Estate practice with the hire of Luiza Onofrei

Dentons has bolstered its leading Real Estate practice with the hire of Luiza Onofrei, as Senior Associate. With over a decade of experience, Luiza has solid experience in real estate M&A, development, leasing and regulatory, having worked previously in the Bucharest office of a major London-based law firm and at the National Authority for Property Restitution. She has particular expertise negotiating construction contracts.

Bogdan Papandopol, Partner and Head of the Real Estate practice at Dentons Romania stated: " Luiza is the second major hire in the firm's Real Estate practice since January, after Cristian Popescu, who is the preeminent expert on agricultural law in Romania. She arrives at a time of pervasive and unprecedented change in the real estate industry, as the logistics sector soars, prop-tech begins to take hold and the very configuration of home/work balance is undergoing a seismic shift."

Luiza Onofrei states: "I am thrilled to be joining the leading Real Estate practice in Romania. The Dentons team has been advising on key transactions in Romania and the region for nearly 20 years and I will be proud to be working alongside its two Chambers-ranked partners."

Luiza has a bachelor's degree in law with University of Bucharest and is fluent in both English and French.
