

## Foreign shareholders inject over 34 million euros into financial market companies in first five months

**Companies operating on the Romanian financial market received capital injections of 34.05 million euros from foreign shareholders in the first five months, down 40% compared to the same period in 2021, when these totaled 56.9 million euros, according to the data of the National Office of the Trade Register.**

The largest capital infusion was received in April by NBG Leasing, of 21.42 million euros, followed by Grawe Romania Insurance, with a capital infusion of 3.92 million euros, in May.

Patria Bank increased its share capital by 3.3 million euros in February, Euroins Romania received a contribution of 2.42 million euros to the share capital in May, and NN Insurance 2.18 million euros, also in May.

In January, Porsche Leasing Romania increased its share capital by 790,900 euros.

The data published monthly by the Trade Register include the first 40 companies that received a contribution to the share capital, according to the value of the allocated amounts.
