

Stratulat Albulescu advises TripStax Technologies on the acquisition of B2B hotel booking platform Hotelzon Romania

The SAA team was led by Managing Partner Silviu Stratulat and included Managing Associate Adrian Hlistei-Muresan and Associate Roxana Ioncu.

The acquisition will boost TripStax's existing modular offering with a hotel booking tool.

It will also enable the company to manage hotel booking data across several channels alongside its existing air content.

[**TripStax Technology Limited**](#) is a technology company offering a complete suite of platforms, including a booking tool, profile manager, analytics, duty of care and traveler tracking platforms.

[**Hotelzon**](#) is a leading corporate online hotel booking company offering booking services and hotel distribution technology to corporate clients, hotels and agency partners.
