

RTPR advises Vectr Holdings on The Landmark office building acquisition

RTPR has assisted Vectr Holdings, through its subsidiary Vectr Realty Holdings, in relation to the indirect acquisition of 100% stake in the company that owns The Landmark from funds managed by Revetas Capital and affiliates of Cerberus Capital Management. Vectr Holdings is a privately-owned group of companies, which is engaged in various sectors including agricultural operations, agricultural machinery distribution, fitness, and real estate in Romania.

The Landmark is one of the most representative office buildings in downtown Bucharest. With a GLA of over 23,700 sqm, the business park developed in 2016 comprises three class A office buildings and is BREEM Excellence Certified.

“Throughout the entire acquisition process, RTPR’s expertise and proactive approach helped us overcome potential hurdles and ensure the success of the transaction. We particularly appreciated their clear explanations of complex legal issues and prompt communication. Their constant support gave us the confidence that we had on our side the best team of lawyers – a team with a deep commercial understanding and fully focused on results”, said Dimitris Sophocleous, the client’s representative.
