Cherciu & Co is looking for two Junior / Mid - Level Lawyers.

Job description:

M&A / Corporate Lawyer

- Be actively engaged in a variety of high-impact investment rounds in the most promising startups on the Romanian, European and USA markets
- Assist both startups and investment funds (registered in the EU, USA, Canada and Asia) with their investment rounds
- Work directly with all relevant stakeholders, including investment and business managers

Commercial / IP / AI regulation Lawyer

- Represent some of the most advanced and cutting-edge technology companies
- Assist our clients in negotiating their biggest deals with clients in the EU and the USA
- Among others, we're glad to share our unparalleled experience gained while assisting UiPath in licensing their products to some of the biggest companies in the USA
- Work on niche technology related matters and deal with some of the most unique commercial, IP and regulatory (such as AI regulation) projects

What we need from you:

- Bar certificate
- Strong academic track record
- Preferably (at least) 1 year of experience in the relevant field/opening, based on the indications above. However, we're also looking forward to working with and training recent graduates
- English and Microsoft Office proficiency
- Analytical thinking and excellent research skills
- Strong organizational skills, with the ability to manage multiple projects
- Excellent communication skills, with a client-focused approach
