

Reff & Associates | Deloitte Legal assisted Damen Galati Shipyard in obtaining the 25 million euros financing from Exim Banca Romaneasca

[Reff & Associates | Deloitte Legal](#) assisted Damen Galati Shipyard in obtaining the financing from Exim Banca Romaneasca of 25 million euros, which will be used by the shipbuilder in implementing its investment program, based on the expansion and equipping of ship assembly facilities.

“The completion of this transaction marks an important milestone in the development of our company and is an achievement that we also consider the merit of Reff & Associates | Deloitte Legal, their professionalism and expertise being essential for the success of this endeavor,” said **Daniela Cristea, Chief Financial Officer, Damen Galati Shipyard.**

Damen Galati Shipyard, one of the leading players in its field in Romania, will expand, through the investment program implemented with the help of this financing, its interior construction capacities, especially for ships dedicated to the luxury segment, as well as to the military segment. In 2023, Damen Galati Shipyard inaugurated a new robotic line for the manufacture of micropanels, an investment also financed by Exim Banca Romaneasca, in 2022.

The Reff & Associates | Deloitte Legal practice specialized in financing and financial-banking law provided legal assistance in the review and negotiation phases of the financing documentation. The team involved in the project consisted of **Patricia Enache**, Senior Managing Associate, and **Bogdan Vlad**, Senior Associate, under the coordination of **Andrei Burz-Pinzar**, Partner.

“We are glad that we were able to support Damen Galati Shipyard in this achievement and to contribute by providing legal assistance on the negotiation of the financing documentation to the success of this project, which will strengthen the position of our client and of Romania on the shipbuilding map. We are delighted with the excellent relationship we have developed over the past years of collaboration with Damen Galati Shipyard and we are confident in the future of this collaboration,” said **Andrei Burz-Pinzar, Partner at Reff & Associates | Deloitte Legal and Leader of the Financing and Financial-Banking Law Department.**

The Dutch Damen Shipyards Group took over the majority stake in Damen Galati Shipyard in 1999 and has invested since then over 146 million euros in the development of the company. In 2024, the shipyard completed and delivered a 179-meter military support ship for the Royal Netherlands Navy. Outstanding manufacturing projects underway include the construction of a multi-purpose ship for the Portuguese Navy and the delivery of four all-electric ferries for the province of British Columbia, Canada, reflecting the company's commitment to providing sustainable maritime solutions.
